

Laminex® and Essastone Matching Décors

For the first time, high-quality laminates and engineered stone can be specified in carefully matched colours and textures. With new Laminex and Essastone Matching Décors, homeowners can make a statement with a beautiful Essastone island benchtop and then continue the seamless look with hardwearing Laminex laminate in secondary spaces such as butler's pantries, appliance cupboards and laundries. Or in a commercial setting, the front counter can be Essastone, with Laminex laminate throughout the rest of the space on tabletops, counters and bathroom vanities.

It's a powerful new way to achieve maximum design impact without compromising the budget.
